ABOUT US

Neocase offers Neocase HR, an innovative HR Service cloud solution delivery solution for SMEs and large groups, whether or not they have a shared services centre or not.

Neocase HR allows Human Resources to digitize their service offer with a collaborative case management, a simple and flexible (no code) digitization of processes and a management of documentation respecting the GDPR. Pre-delivered and customizable processes such as the employee

journey (including onboarding) allow for a quick and easy implementation of the solution. With Neocase, HR can deliver operational excellence that improves employee experience and satisfaction while reducing costs and risk of error.

With 15 years of experience, Neocase now manages the HR departments of more than 150 of the world's leading companies, serving more than 6 million employees worldwide.
